

# Voyageur Metis Application for Metis Registry

Please fill in the following information and provide all documentation necessary to prove your genealogical bloodline to your Native American ancestor, as well as proof that your ancestry is from our "Muskrat" communities surrounding the Detroit River Region and parts of the Great Lakes that were traditionally known as "Muskrat" communities. Please send copies of actual legal records for marriage and birth/baptism/early census for each generation. All persons in the line must be linked to the previous generation with their parents' names clearly shown on the record, and the record labelled as to its source (church or civil record, location and date) so we can verify it. Please send a signed application for each applicant, required processing fee and a recent photo - head & shoulders, plain background, light source on face.
